SIR,

Proposals for the acquisition of a tiled house in Lashkar Mohalla, Mysore City, required for the construction of a building for the Jumma Masjid Office.

=====

Adverting to correspondence ending with your letter No.1672/Muz. dated the 20th June 1935 in re the above. I have the honor to state that there are some other properties also to be acquired in addition to the above as noted in the margin for improvement purposes. The Chairman of the City Improvement Trust Board in the abstract of properties to be acquired has noted that a sum of Rs.4000/- would in all be required to effect the improvements.

In these circumstances and in view of the fact that funds cannot be made available either from Jumma Masjid funds or from General Muzrai funds, I am of opinion that the present proposal for acquiring only one tiled house roughly valued at Rs.728/- and constructing an out-house for Jumma Masjid costing Rs.497/- may be dropped for the present.

The connected records received from the Sub Division Officer, Mysore, with his No.R3. 22/35 dated the 12th July 1935, is enclosed for perusal and kind return.
